

L&T ECC Wins Inno GeoCity Corporate Sports Olympiad 2012

Sep 21, 2012

Inno GeoCity, a flagship residential project by Inno, a global investment group focused on real estate with operations in Europe, Middle East and India, in association with F5 Ventures, concludes the 6th edition of Corporate Sports Olympiad 2012 with a grand finale in Chennai. L&T ECC bagging gold after maintaining the lead right from week 1 of the event. The Chief Guest, Ms. Anaka Alankamony, Squash Asian Juniors Under 19 Gold Medalist, presided over the function and gave away the prizes. The occasion was graced by the sponsors of the event and representatives from leading corporate houses.

Inno GeoCity Corporate Sports Olympiad 2012 offered fourteen disciplines, appealing to employees across all cadres. The sporting event includes Cricket, Volleyball, Football, Swimming, Bowling, Golf, Table tennis and Chess. The games were played at the best of the venues, including popular stadiums, clubs, indoor and outdoor locations and exclusive gaming zones. For convenience, all the events were conducted on weekends or public holidays, or late in the evenings, enabling maximum participation.

Commenting on the occasion, Mr. M. Harinath, Director - Sales and Marketing, Inno GeoCity said, "We saw intense action during the Grand Finale, as all teams had come with the best of Athletes, with performances matching a National level meet. We are happy to see that the Inno GeoCity Corporate Sports Olympiad has evolved over the years. This event has provided corporate houses an enriching opportunity for young professionals to participate in sporting events, thereby creating a competitive spirit across diverse fields."

The event was spread over two months starting from July 28, 2012 on weekends and other public holidays. This year's participants were L&T ECC, TCS, Wipro, Verizon, HCL, HP, Ford, Renault Nissan, Barclays, Scope International, Danfoss, Zoho Corp, etc. For more details, please log on to www.corporateolympiad.com

About Inno GeoCity

Spread over a lavish 131 acres, Inno GeoCity is a modern residential township located at Oragadam – the rapidly growing world-class industrial belt southwest of Chennai – one of the hottest investment destinations in the country. Inno GeoCity is an elegant fusion of location advantage and value engineering. With great infrastructure, well-planned layouts and essential civic amenities, including a prestigious school, Inno GeoCity is designed to be a comprehensive township that delivers a healthy work-life balance.
